REMARKS

25X1D

Photography of [REDACTED] shows a SAM support facility 3.5 nautical miles (nm) north of Dolon Airfield. The facility is probably complete. A recheck of TALENT photography of [REDACTED] was made to determine if this facility was present or under construction at that time. A careful examination of the photography has resulted in the identification and location of this facility 1/ and confirms the identification made from [REDACTED]
